‘Rooted in Christ, growing together.’

4th September 2026

Dear Parent/Carer,

It has been lovely to welcome everyone back to school this week and to meet the new members of our school community. We have had children join us in most year groups, so please look out for their families on the playground and say hello. Children are settling in well to their new classes and have made a super start to the school year.

The super summer weather appears to have deserted us just in time for our return and, though I am sure many of us are grateful for some cooler temperatures, we have been reminded this week of how changeable the weather can be. Please make sure all children bring a named waterproof coat with a hood everyday as we go outside at break and lunch as often as we are able.

This week we have started to get to know our new Reception children as they begin their school journey with us. We have also been joined by some new staff. In the office, we have welcomed Miss Van Mazyk, who is our new School Business Manager. On the teaching team, we have welcomed Miss Bristow as our Year 4 teacher. We are pleased to have them all at Holy Trinity with us. We have also welcome Mrs Albury back as Mrs Cray as she got married over the summer. Congratulations!

It is a time of change in school and as with all new beginnings, there are things that we want to develop to help school run more smoothly and to keep our families informed about events. We have attached an annual dates list for you to refer to. These dates will all be added to the school calendar and will hopefully allow families to plan ahead. Naturally, there will be other events that we add through the year and sometimes unavoidable changes. These will be updated on the school calendar and notification sent via emails and the newsletter as required.

Last term, we sent out uniform guidelines as we are keen to ensure that all children are ready to learn and are wearing their uniform with pride. This helps build a strong sense of community and belonging in school. Please support us with upholding these and, when replacing items, check that they conform to our expectations. We completely understand that there may be times when this is difficult. If you need any support with uniform, please do get in touch with us — we are always here to help.

Important Dates:

Please use the calendar on the school website and check regularly for updates. It shows up to date information such as when clubs and music lessons are taking place. This is a really useful way of checking –please use this regularly.
