01.10.26

Dear Parent/Carer,

Can you believe that we are already more than half-way through term 1. So far, we have been blessed with kind weather, so it has been wonderful to see our children continue to enjoy all of the super play space that we have. Long may it continue!

Last Friday, we held our Harvest worship where we were pleased to be joined by some of our families. Children from several classes led different aspects of our worship sharing poems and prayers as we reflected on how fortunate we are. Thank you for your many generous contributions for the North Bristol and South Glos Foodbank. As Miss Thomas noted, 'who knew that washing up liquid came in such a rainbow of colours!'

Last week, we also elected our new team of House Captains and Vice Captains. These children will play an important role in upholding all of our values as role models for all of our pupils. They will take a lead in running School Council meetings, ensuring that children's voices are heard as we continue to improve and develop aspects of school life. Congratulations to them all!

Thank you to everyone who is either already walking to school or choosing to park further away and walk the short distance to school. This helps keep the roads safe for our children around school drop off and collection time. If you are driving into Broad Croft, please park safely to drop off rather than simply stopping in the road, as this causes additional congestion and is a danger for those crossing the road. Thank you.

Finally, a reminder that children should only wear one pair of small stud earrings to school. Safety advice from the Association for Physical Education requires that these are removed for PE lessons. This must be done by the child and kept in a small container brought from home or can be removed at home on the day. Staff are not able to help with this.

Thank you for your support with this.

## Translation of school information

Many people use Google Translate but there is also [Linguee | Dictionary for German, French, Spanish, and more.](#)

Please let us know if there are any other ones that we can share with parents so our communications can be accessed by all.

**Worship**  
**This term, our value is – Respect**

We have been thinking about how we show respect for every member of our school through listening, responding and following school rules to keep everyone safe.

We want everyone to feel part of our community and know that they have a place here.

**Spotlight on Safeguarding:**

We all know how important it is to make sure we are taking care of our mental health and this is no different for our children. Young Minds is a fantastic resource with a wealth of information for parents and carers who can support you, while you support your children's mental health.

Whether you want to understand more about your young person's mental health, find the right help for them or hear from other parents who've been there, their guides can help.

<https://www.youngminds.org.uk/parent/>

**Free school meals**

You could be one of thousands of families across South Gloucestershire missing out on saving over £400 each year, per child. Please see the attached leaflet giving more information on how to find more information or follow this link: <http://www.southglos.gov.uk/freeschoolmeals>

## **Important Dates:**

**Please use the calendar on the school website and check regularly for updates.** It shows up to date information such as when clubs and music lessons are taking place.

This is a really useful way of checking –please use this regularly.

05.10.26 Parent drop in session -Young People Mental Health Support

09.10.26 Wear a yellow accessory to support young people's mental health

14.10.26 Parent Consultations 1 (3.45 – 5.50)
